Topics of Interest

The topics of interest for ETAA 2024 include, but are not limited to:

- Artificial intelligence

- Machine learning
- Data science
- Blockchain
- Internet of things
- Cloud computing
- Edge computing
- 5G and beyond
- Virtual reality
- Augmented reality
- Mixed reality
- Haptics
- Robotics
- Autonomous systems
- Smart cities
- Smart homes
- Smart healthcare
- Smart education
- Smart transportation
- Smart energy

Important Dates

The important dates for ETAA 2024 are as follows:

- Paper submission deadline: March 15, 2024
- Notification of acceptance: May 15, 2024
- Camera-ready paper submission deadline: June 15, 2024
- Workshop date: September 2024

Submission Guidelines

Authors are invited to submit original and unpublished research papers for presentation at ETAA 2024. Papers should be no more than 8 pages in length and should be formatted according to the IEEE conference template.

Papers should be submitted electronically through the conference submission system.

Venue

ETAA 2024 will be held at the Universitat Politècnica de Catalunya (UPC) in Barcelona, Spain.

UPC is a leading university in the fields of engineering, architecture, and technology. The university has a strong international reputation and is home to a vibrant research community.

Barcelona is a beautiful and historic city with a rich culture and a vibrant nightlife. The city is also well-connected to major transportation hubs.

Accommodation

A block of rooms has been reserved at the Hotel Barcelona Universal for the duration of the workshop. To book a room, please contact the hotel directly and mention that you are attending ETAA 2024.

The Hotel Barcelona Universal is a 4-star hotel located in the heart of Barcelona.

Registration

Registration for ETAA 2024 will open in May 2024. The registration fee will include access to all workshop sessions, materials, and coffee breaks.

Contact Information

For more information about ETAA 2024, please contact the workshop organizers at etaa2024@upc.edu.
